PRESSFIT SHELVING

Acrow manufactures a modular boltless Pressfit Shelving (or Kwik Shelving) system that is available in 4 (four) basic sizes.

- Shelf common measurements are: 914 mm in length with a depth range of 305; 381; 457 and 610mm.
- The system is assembled using tubular uprights, ensuring that the profile configuration is limitless.
- Carrying capacities vary from 70kg for the 914 x 610mm shelf to 150kg for the 914 x 305 mm shelf.
- System allows for speed and ease of installation
- System allows flexibility in shelf height arrangement
- System allows for expansion at a later stage
- Easy to install as no bolts or nuts are required

Available sizes:

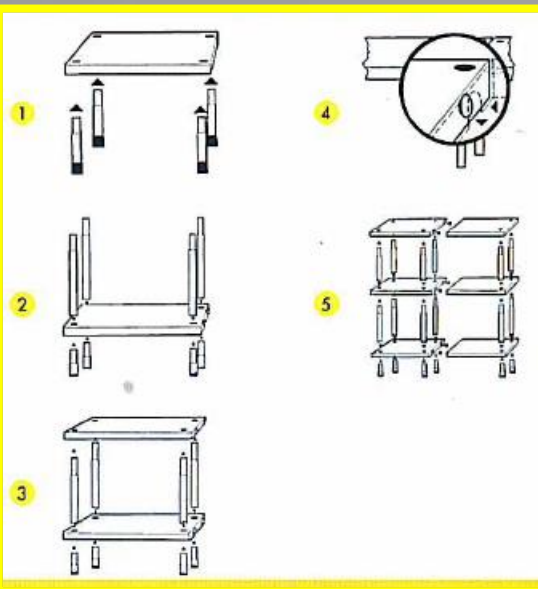

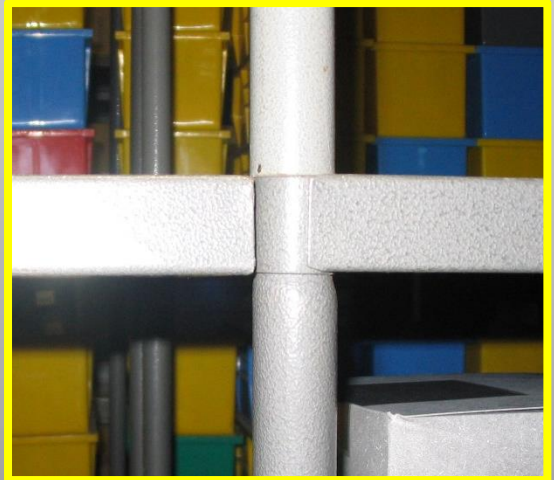

Shelves: 914 x 305mm
 914 x 381mm
 914 x 457mm
 914 x 610mm

Vertical Pillars: 229mm
 305mm
 381mm
 457mm
 533mm
 610mm

Base Pillars: 127mm

- 1 Start from bottom. Insert pillars in under side of shelf.
- 2 Insert vertical pillars above shelf.
- 3 Fit next shelf on vertical pillars.
- 4 Clip-on lugs are fitted for horizontal extensions.
- 5 No limit to what you can do with super fast PRESSFIT. The more you expand, the more rigid the structure becomes.
